

# SKULL CAMP

## Social House

### So...what is a "Social House"?

Well, the "Urban Dictionary" defines it as "a place where people come together in order to "socialize" which involves conversation, people watching, eating and drinking and generally being in the company of others".

That's a pretty good description of our Skull Camp taproom, with the added benefit of offering great craft beverages...Cider, Seltzer, Wine, & Beer! For more about Skull Camp, our history, and our focus, check out our story on the "Table Talker" !

### Our Specialties!

#### PEEL & EAT JUMBO SHRIMP

Our famous jumbo shrimp boiled & chilled, served Cajun-style with the original - and amazing - Basin Creek cocktail sauce. Horseradish optional!
